

Susan Montgomery Named New Sales Manager at Md Plastics

Md Plastics is pleased to announce that Susan Montgomery has joined us as Sales Manager in December 2020. Susan comes to us with over 26 years experience in the plastics industry, with a strong background in process control for injection molding. Her professional experience includes Kistler Instrument Corporation, GE Plastics, Priamus System Technologies, Lubrizol Advanced Materials, Mold Masters, Spunfab Adhesive Fabrics, and Boardman Molded Products. Susan has a BS in Chemical Engineering from Cleveland State University and completed additional graduate studies in Chemical Engineering at SUNY Buffalo.

Susan serves on the SPE Injection Molding Board of Directors and held various leadership roles (ANTEC Technical Program Chair, Division Chair (two terms), Division Councilor (two terms) and Program Co-Chair for the Empowered Processing Conference in 2020). In 2014, she was honored to receive the Injection Molding Division's Engineer of the Year Award. Susan is currently President of the Cleveland SPE Section.

Susan enjoys spending time in the Allegheny Mountains of Western PA and composing and recording original music with her husband, Tim. Their music is featured on Touch Tunes, Spotify and AMI digital music (The Rhymes).

Welcome to Md Plastics, Susan!
